

LOCATION MAP & DIRECTIONS

HOW TO FIND US

Our clinic is accessed via a gate in the railings off Fishponds Road, opposite Wilshire Dacre Junior School.

The clinic is based in a modern, glass fronted, single story building within the school grounds. It is set back from the main road and is not clearly visible, as it is located beyond a car park and tennis courts.

Please access the clinic via the double doors at the front of the building.

Parking is available for think **physio** clients and there is **level access** to the treatment facility.

The logo for think physio features the word "think" in a grey sans-serif font and "physio" in a bold, black sans-serif font. Above the text is a decorative arc of blue dots of varying sizes, with a larger black dot at the end of the arc.
